

EXPRESSION OF INTEREST (EOI) FORM

Administrative & Revenue Partner Program — Australian Road Freight Network

Join the Code Forwarding Revolution: CLOX shifts the high-markup traditional freight broker paradigm into fully automated code. We isolate regional operations through a multi-tier administration framework, incentivizing active ecosystem partners with direct automated gross revenue splits managed natively via programmatic escrow settlements.

1. DESIRED PLATFORM ROLE & TARGET TERRITORY

☐ **State Master Admin (Regional Tier) — 10% Gross Platform Fee Split**

Responsible for regional compliance auditing, carrier verification safety nets (ABN, Insurances, RWCs), legislative alignment, and regional transport corridor management.

☐ **Local BDE Admin / Business Development Manager (Local Tier) — 5% Gross Platform Fee Split**

Responsible for regional sales generation, local shipper/carrier onboarding acquisition pipelines, lane density development, and local relationship management.

Target State / Region:

Target Suburbs /
City:

2. APPLICANT PRIMARY INFORMATION

Full Legal Name:

Company Entity Name:

Australian Business
Number (ABN):

ACN (if applicable):

Primary Email
Address:

Contact Phone
Number:

Corporate Address:

3. LOGISTICS NETWORK & PROFESSIONAL EXPERIENCE

Briefly outline your existing network, industry footprint, or experience within the Australian logistics ecosystem:

Specify your target execution strategy (e.g., local shipper acquisition channels, corporate sender procurement networks, fleet onboarding resources):

4. ADMINISTRATIVE & REVENUE FRAMEWORK OVERVIEW

Tier Position	Revenue Share	Settlement Cycle	Core Administrative Mandate
State Master Admin	10% Gross Fare	Fortnightly (4th Night)	Regional compliance audits, verify heavy vehicle RWC & ABN safety lockouts, dispute management intervention.
Local BDE Admin (BDM)	5% Gross Fare	Fortnightly (4th Night)	Customer liquidity acquisition, onboard regional carrier owner-operators, accelerate lane velocity.

**Note: As per the CLOX Settlement Logic, all administrative distributions are automatically generated over a rolling 14-day cycle and distributed via Monoova NPP splits, net of standardized platform management fees and corporate marketing cost recovery allocations.*

5. PARTNERSHIP DECLARATIONS & SIGNATURE BANDS

By executing this Expression of Interest (EOI), the applicant confirms that all information provided is true, accurate, and current. The applicant acknowledges that submission of this form does not guarantee admission into the CLOX administrative network, and that final selection is contingent upon strict KYB screening, manual executive board review, and execution of the formal CLOX Master Administration Agreement and non-compete frameworks. All discussions and proprietary operational disclosures remain strictly bound by the terms of the active CLOX Non-Disclosure Agreement (NDA).
